Safety Touches Everyone

History of NSCI

The National Safety Council of India [NSCI], set up by the Ministry of Labour & Employment, Govt. of India on 4th March, 1966 is an independent, non-commercial, non-profit making, non-political and autonomous society. It is registered as a society under the Societies Registration Act, 1860 and a Trust under the Bombay Public Trusts Act, 1950. The Management and control of the affairs of NSCI are vested in a multi-partite Board of Governors. NSC has a wide network of over 9,641 members comprising of Corporate, Individual and Life Members, with 12 State Chapters across the country. NSCI serves as a high quality resource Centre for all services on Safety, Fire Safety, Health and Environment including a large variety of information, communication and educational material throughout the country.

The National Safety Council-Kerala Chapter [NSC-KC] was founded in the year 1970 and is governed by an Executive Committee representing Employers, Life, Individual Members, Trade Unions and the Hon'ble Minister of Labour and Skills, Govt. of Kerala as the patron of the Chapter. NSC-KC is registered under the Travancore-Cochin Literary, Scientific and Charitable Societies Registration Act, 1955 during August 2022.

Objectives of NSC-KC

- ❖ To organise training programmes, lectures, seminars, conferences, competitions and other activities for promoting management of Safety, Environment and Occupational Health in industry and other fields of human endeavor;
- ❖ To locate effective methods of safety, protection and health and propagate them among industrial employees, managements and other interested organisations;
- ❖ To conduct educational campaigns to arouse public opinion and interest of the employees, employers and the general public in safety, health and environment;
- ❖ To encourage and recognise excellence in safety and fire safety performance by organisations and individuals;
- ❖ To enlist the co-operation and support of public and private organisations interested in the promotion of industrial safety, road safety, home safety and more;
- ❖ To suggest improvement calculated to prevent accidents in the central and state laws, procedures and practice

Our Vision

Our vision is to serve the society by creating a preventive culture, scientific mindset and organized approach to Health, Safety and Environment issues. We equally believe that their effective addressal is greatly facilitated if their intrinsic relationship with quality and productivity is well demonstrated.

Our Mission

Building a national movement on Health, Safety and Environment to prevent and mitigate loss of life, human suffering and economic losses, and providing support services.

Training Courses Offered

We offer training courses on the following subjects:

SAFETY

- ❖ Behaviour Based Safety
- ❖ Construction Safety
- ❖ Defensive Driving for Road Safety
- ❖ Food Safety
- ❖ Industrial Accident Prevention
- ❖ Organizing and Motivating for Safety
- ❖ Personal protective equipment – Selection and Usage
- ❖ Petroleum Safety
- ❖ Public safety education
- ❖ Safe handling of LPG & LNG
- ❖ Safe handling, storage & transportation of hazardous chemicals
- ❖ Safe work permit system – Procedure and Issuance
- ❖ Safety in Electrical Installations
- ❖ Safety Management in chemicals and petrochemicals, tanneries and pharmaceutical industries
- ❖ Scaffold Safety Guidelines
- ❖ School Safety
- ❖ Statutory Regulations on Occupational Health, Safety & Environment
- ❖ Tank Farm Safety

FIRE SAFETY

- ❖ Emergency Planning, Preparedness and Response
- ❖ Fire Safety in Oil & Gas Terminals
- ❖ Fire Safety in project sites, hotels, high-rise buildings & warehouses
- ❖ Fire Training -Theory & Practical

OCCUPATIONAL HEALTH

- ❖ Basic First aid
- ❖ Biomedical Waste Management
- ❖ Govt. Approved First Aid Training
- ❖ Industrial Hygiene
- ❖ Occupational Health

ENVIRONMENT

- ❖ Environment Management System
- ❖ Environment Protection Measures

Government Approvals for NSC-KC Services

Govt Approvals for NSC-KC regarding Safety Audits:

We are recognized by the Government of Kerala to conduct Safety Audits in Public Sector industries in Kerala State by letter No.LBRD-B2/14/2018-LBRD dated 11.10.2019

- ❖ Occupational Health and Safety Audit
 - Compliance Audit
 - Safety Audit
 - Pre-commissioning Safety Audit
 - IS 14489:2018 - Occupational Health & Safety Audit
 - Fire & Life Safety Audit
 - Electrical Safety Audit
- ❖ Risk Assessments
- ❖ HAZOP Study
- ❖ Preparation, planning and organizing On-site and Off-site emergency plans
- ❖ Job Safety Analysis
- ❖ Process Safety Management Technique
- ❖ Fault Tree Analysis
- ❖ Preliminary Hazard Analysis
- ❖ Consequence Modelling
- ❖ Public Safety Awareness Programme
- ❖ Safety Manual
- ❖ Conductance of Mock Drills
- ❖ Conductance of Webinars/Seminars/
- ❖ Conferences on safety related topics

We campaign

Road Safety Week

[11 January-17 January] by conducting awareness programmes

National Safety Week

[04 March] by conducting awareness programmes and competitions.

National Fire Service

[14-20 April] by conducting awareness programmes, webinars and competitions.

World day for Safety and Health at Work

[28 April] by conducting awareness programmes.

World Environment Day

[05 June] by conducting webinars on Environmental related subject.

Behaviour Based Safety Day

[22 June] is an attempt to wash out 'Unsafe act' in all fields thus targeting ZERO accidents. Seminars, International Conference are conducted to enhance awareness.

National Electrical Safety Week

[26 June-02 July] by conducting awareness programmes and webinars.

International Day for Disaster Risk Reduction

[13 October] by conducting workshops / seminars / Conference.

Safety Award

The National Safety Council-Kerala Chapter had introduced the safety award scheme for organizations and individuals since the 1980's. These Awards are a form of recognition and appreciation for the factories, employees, contract workforce as well as public, towards their contribution to spread the message of safety across various fields. The Safety award scheme has gone ONLINE from the year-2022, with a vision to simplify the system and move towards a paperless culture to protect environment. Application for the respective awards can be applied during the period from January to February every year by visiting our website <https://nsckerala.org/Safetyawards/>

HSE Forum-Kerala

Journal for Safety Science & Fire Research [JSSFR]

NSC-KC is happy to inform you that we are publishing a National level journal which will serve as a national medium for research in the field of Safety, Health, Environment and Fire Science and Technology. It extends from Safety of people at work to other spheres, such as transport, leisure and home, as well as every other field of man's hazardous activities. The journal will enable academic researchers, engineers and decision makers in companies, government agencies and national bodies to augment their information level on the latest trends in the field from policy makers and management scientists and engineers. The journal focuses primarily on original research papers across its whole scope, but also welcomes state-of-the-art review papers and first hand case histories on accidents and disasters of special significance. International Slandered Serial Number (ISSN) assigned to Journal in 2022.

Types of Paper

Research Paper:

Paper with newly collected or analysed data, experimental or survey results, or a proposed new theory or model supported by analysis and arguments.

Review Paper:

Paper with a comprehensive review of the literature on a specified topic, which updates previously published reviews, or proposes new interpretations of the current state of the art on the topic.

Case Study of accident or incident: Description and analysis of a single accident or incident, or a small number of these, providing some depth of understanding about causes and/or consequences.

For submission guidelines, visit www.nsckerala.org.
